The current membership roster have 49 renewed and new members and 40 non renewed members as of March. It's not to late to renew your membership. Adults \$25, 18 years and younger \$15. Also, the SAL needs more activities out of the members. Please show up to our monthly meetings held FIRST Wednesday at 6pm. Daryl Wimmer.....Commander

FROM THE BLDG MANAGER

Hopefully you have been to the Post in the past month and have seen our wonderful, talented and dedicated volunteers, I cannot begin to name each one of YOU but I do want to thank you for helping the Post to begin to recover from the pandemic. I cannot begin to tell you how much your spirit of volunteering has had an impact on our business. I would be remiss if I did not thank our paying customers. Thank YOU for coming out and supporting the meals and bar. We cannot rebuild without all of us working together for a common goal.

Randy & Diana Bray are heading up the Monday and Tuesday night snack bar. Marsha Mooney is heading up Friday night and special meals. The ALR are manning the 3rd Wednesday Burger night. Linda Finley is a volunteer bartender that does the snack bar for Saturday dance as well as anything else we throw her way. We always welcome more volunteers. If interested, call or email me.

One of my favorite sayings is from our 33rd President, "It is amazing what you can accomplish if you do not care who gets the credit." Harry S. Truman

Again many thanks to everyone for their support!

THE COMMANDER'S CORNER

Greetings Members and Patrons of Post 21,

We have been successful in adding more and more services during our reopening period. Bingo is growing each week and our dances have begun and show promise in the attendance. We have managed to use an all-volunteer force in our kitchen. Randy and Diane Bray have led Mondays and Tuesdays with help from others. Marsha Mooney has been leading the charge on our Friday Night meals with several volunteers. I would name them, but I fear I will miss someone. There have been quit a few of you stepping up to help and I thank you for your support of your post.

We had a successful St. Patrick's Day at Post 21. Marsha Mooney led a great group of kitchen volunteers to serve up Corned Beef, Cabbage, Potatoes and Carrots as well as a delicious Reuben Sandwich. Again, thank you to everyone who made this possible.

If you attended last months Post Business meeting you heard that we have kicked off a Building Fund project. Our building is old, and we anticipate some major HVAC expenses in the not-too-distant future. We have set up a separate account to hold the Building Fund Donations to ensure that they will only be used for that purpose. We will be announcing in our April meeting the progress that we have made so far. Please consider donating. No amount is to small. We will have several opportunities for you to participate in this campaign.

I am very pleased with the many volunteers that have stepped up to help. That being said we always can use more help so that we don't burn out those of you who are donating many hours of their own time to help. We have many areas that could use your help. Bingo, Dances, Kitchen, and more. We have several events coming in the next two months that will require additional help. There is a Craft Fair on April 10th, a Gun Show on April 17th and 18th, and a Car Show on May 15th! I invite you to join us as we really have a great time with fellowship while serving Post 21!

As always if you have any concerns, questions, or suggestions I am always available to talk.

Thank you for the privilege and Honor in being your Commander.

Bob Ford

VOLUNTEERS NEEDED

FOOD PANTRY VOLUNTEERS

February 27, 2021

Tirey J. Ford Post 21 celebrated its 1 year anniversary of operating its monthly food pantry. Over the last year the Post has provided food for Veterans in need of a helping hand. Over the last year the pantry has served 374 households totaling 916 individuals, including 413 adults, 180 children, and 323 elderly. The Post has received 3452 pounds of food from Harvesters. That figure alone provided 2,877 meals. The pantry has also received and continues to receive donations from our members and members of our community. The food pantry is open the last Saturday of every month. The hours of operation are 8:30-10:30 am.

At our October 2019 Post meeting we had a guest speaker from Heroes Care talk to the Post about the Food Pantry closing at the Ozark National Guard Armory due to security restrictions. Heroes Care was looking for a place to reestablish the food pantry. It was an easy decision to have the pantry here at the post, since the pantry serves Veterans and their families, Active-duty members, National Guard and Reserve and their families.

The food pantry officially opened in February 2020. The months following the grand opening were totally unexpected and unprecedented. Covid-19 restrictions were in place and the need for food increased. The Post was able to maintain and even increase the supply of goods needed for the pantry by donations from Post Members and members of the community and the use of Harvesters. The staff working the pantry consists totally of volunteers. Their commitment has insured a smooth operation of the pantry. Even during the pandemic, the pantry has had volunteer assistance from Midwest Poppies for Patriots. They have been a great asset to the pantry, and they continue to be of help today.

Tirey J. Ford Post 21 is committed to continue the pantry as long as there is a need in the community. Donations of non-perishable items are always accepted.

AUXILIARY NEWS

We held our meeting on Thursday, March 4. There were 17 members in attendance. I hope our April Meeting...on April 1...will have better attendance. I truly appreciate

the members who have attended and look forward to seeing more of you soon.

Marsha Mooney is taking over some of the kitchen duties and needs volunteers to help prep, serve and clean. She served delicious Reuben sandwiches and corned beef and cabbage on March 17. The best Reuben I had enjoyed in years and the lounge was packed. Laughter and happy tummies ruled the day. HUGE thanks to Marsha and the volunteers who have stepped up. HUGE thank you to Randy and Diane Bray as well. They are working the kitchen on Mondays and Tuesdays. They really need some volunteers to help in the kitchen on those evenings. If you have a few hours to work in the kitchen, please consider volunteering on Monday or Tuesday.

We restarted bingo on Monday, March 1. On March 15 we had 103 players! Our Progressive jackpot will be 1800.00 on March 22. We are currently limited to 124 players. Would love to meet that number in the coming weeks. Our players certainly seem happy to be back playing. In March, Marsha announced The National Auxiliary President will be making a visit here on Wednesday, April 28th. The auxiliary will be hosting the event. We will need plenty of volunteers to make this event memorable for our unit and the National President. Just a heads up, more information to follow on these two items. Tom Tanner has been contacted by the VA with plans to set up Covid Vaccine opportunities at the post. The Community Blood Bank is also working to schedule blood banks at the post. I feel both of these steps will be great for the community and our post. If there are volunteer needs once these events are scheduled I will let you know.

I hope everyone is staying warm, safe and healthy in these trying times.

AMERICAN LEGION RIDERS

Welcome to Spring!

The ALR will be out on the road more with the improving weather conditions. We will be enjoying each others company and completing missions. Please look out for motorcycles as you may not be conditioned to see them after the slow period. We all want to get home safely. too.

We have been busy helpign the Post restart after the shut-down. You will see Riders working the kitchen, working Bingo nights and supporting the food pantry all month long. Personally I can't express my thanks enough how proud I have been to do my part in this organization for the past 10 years. You continue to show up and represent your Chapter in all that you do!

We have some fun rides coming up as we reboot the Tenderloin Hunt and finish planning our summer trip. We are going to have a Summer Picnic as well, and I hope that ends up being a great time for pure relaxation and comradeship!

Burger Night will be back to it's regular slot on the 3rd Wednesday starting on April 21st. We could use a few more hands in the kitchen than we had last month, and we always would like to see more diners in Club 21. Circle that date and plan to be there either way. It's a great night for the Post!

If anyone has any ideas of things we can do to have fun or support our goals then please reach out to me. We are open to anything.

Until next time,

Don Decker - ALR Chapter 21 Director

And you thought it was rabbits that liked carrots....seems like this lepraunchan has found her pot of gold!
