## AUXILIARY NEWS

Spring is in the air and the Unit 21 Auxiliary is rolling up our sleeves and getting busy to serve our veterans and their families. Our first project is the paddle auction on March 17th. The kitchen will be serving corn beef and cabbage in celebration of St. Patrick's Day so come early for dinner and enjoy the paddle auction.

We had a disappointing tail-gating totals with a profit of \$400 for the season. Ten games plus one play-off shows a lot of work for little profit. The Auxiliary may not sponsor this next year. We will discuss this later in the year.

Lana and Marsha are doing a great job as BINGO Co-chairs and Jean as BINGO treasurer. We have been having good attendance on Monday nights. We still need help from the auxiliary to work just one Monday a month. Please see Lana or Marsha for details.

We are @78.6% of membership goal. As a reminder, if you have not paid your dues as of January 1, you are delinquent. National has sent out late notices in January so please take care of your membership dues if you have not done so. We want you to keep your continuous years of membership and other benefits as provided through Auxiliary membership.

Suzanne and Carolyn are setting up Poppy distribution with HyVee (details to follow) and Marsha has begun working on Girls State. Both of these pillars are important to National Security as related to Children and Youth and providing support to our Veterans.

5th District will be March 15th at the DAV building at 8787 Old Santa Fe Road (87th and Blue Ridge Blvd.) Try to attend one meeting in the near future.

There will be no Executive Board meeting this month.

In support of our Poppy days please bring in empty cans of Pringles potato chips. We will use them as collection points.

"Bless your little Irish heart and every other Irish part."

## AMERICAN LEGION RIDERS

Greetings Fellow Riders, Legionnaires, Auxiliary, and SAL,

Wow, two months of 2017 are already gone! One thing I have noticed is the older I get, the faster time seems to go by. The good news is we will be into Spring before too long. It has been yet another easy Winter for us but I for one am ready for some steady warm temperatures.

February saw the Riders busy with many different missions and events. We attended two funerals for Homeless/Family-less Veterans at Higginsville Veterans Cemetery. We as their brothers stand in as their family. We also attended the Extreme Ice Racing event at the Silverstein Eye Center as a group. Watching motorcycles race on ice with no brakes made for an exciting evening. We were honored to participate in a Vietnam 50th Anniversary Pinning Ceremony at both Offices of Homeland Security this month. Four of our Riders were selected to represent us. Another great job completed.

We decided that our monthly dinner ride would take place at the post in February. Many of our members assembled in the lounge to enjoy another one of the great meals now being served by our kitchen staff. Just another way we can support the post.

Congratulations to our Historian David Cary. David has received the honor of being Department of Missouri, American Legion Rider of the Year! David has been instrumental in participating in almost all of our rides and missions as well as many other programs such as the "Tour of Honor" for Missouri and Kansas, "Run for the Wall" from California to Washington DC and many others too numerous to list here. My nomination to the state for David was three pages long. Well deserved David! "Bravo Zulu". (Sorry, only the Navy Vets might know what that means).

Volunteers needed! We need volunteers in all areas at Post 21. Please consider donating some time. Talk to Commander Mike, Kevin our new office manager, Tom Tanner, Marsha Mooney, me or anyone to see where you can help. If we can get several to commit to 4 hours a month that would help a lot. Please don't just read this and move on. Think about giving some time. Thank you.

Thank you Riders for all that you do. You make me look good.

**Bob Ford - ALR Chapter 21 Director**

**FREEDOM IS NOT  
FREE**

## SONS OF THE AMERICAN LEGION

MEETING TIMES HAVE CHANGED!

NEXT MEETING WEDNESDAY MARCH 1ST AT 7:00 PM.

Our meetings going forward will be on the 1st Wednesday of every month at 7:00 PM in the main hall. This will allow our Dual Members to attend both the SAL and the Legion meetings every month. Come on in share your ideas and thoughts. All members, and potential members are welcome.

Your Sons of the American Legion squadron has lots of plans for the coming year: BBQ's and cookouts, raffles supporting local veterans charities, and helping kids. More information will be forthcoming as we plan out the year.

Membership is currently at 71, with over 30 - 2017 renewals still pending. If you haven't renewed, now is a good time. If you have, Thank you!!!

As some of you already know, the SAL does a 50/50 raffle every Monday during the Monday bingo sessions. We could sure use some additional volunteers to help with the raffle and other activities.

Camp Valor is hosting their annual fundraiser on May 13th, 2017. They host their Patriots Ride and Silent Auction that day. Its one of the biggest fund raiser they have to help the PTSD and wounded Veterans. They are getting ready for the spring fishing. If interested in checking out their activities, their website is [www.campvaloroutdoors.org](http://www.campvaloroutdoors.org).

Your SAL group had a great year last year enabling us to pay \$1660 so 4 young men can attend Boys State this year. Boys State provides opportunities for high school students to enhance their knowledge of Missouri State government and participate in lots of other learning activities. It's a "learning by doing" method of teaching leadership and citizenship. We are proud to provide these young men this valuable experience.

A nominating committee is being formed to select SAL officers for the next year. If you are interested, please let us know at the meeting. We are also going to need some positions to be filled. We all work together and help each other, so come be a part of your SAL group!

.....Daryl Wimmer, SAL Commander

**Prescription Refills** — Did you know you THAT beneficiaries don't have copays for prescription drugs at military pharmacies? Military pharmacies can fill prescriptions written by military or a civilian provider for up to a 90-day supply of most drugs. Military pharmacies stock most drugs on the basic core formulary and many brand name maintenance drugs on the uniform formulary. Be sure to check with the pharmacy first to make sure they carry your drug. You just need to bring your prescription to a military pharmacy to have it filled. Or your civilian provider can send the prescription electronically, saving time and cutting down on potential errors from using paper prescriptions.

If you're picking up a prescription for a family member, then you may need to bring their ID card or a photocopy of the front and back of the card, and a written consent of release if your family member is under 18 years old. Ask your specific military pharmacy what you'll need to bring with you to fill a family member's prescription. You can find the military pharmacy closest to you at [www.TRICARE.mil/MTF](http://www.TRICARE.mil/MTF).

**Energy Drinks** — Caffeinated drinks promising an energy boost when you're feeling sleepy may seem like a great idea, but too much can be harmful. Consuming high amounts of caffeine can lead to increased blood pressure, panic attacks, heart palpitations, anxiety, dehydration and insomnia. You shouldn't consume more than 200 milligrams of caffeine every four hours. These drinks are also loaded with sugar, which can increase blood sugar levels and lead you to gain weight. And never mix energy drinks with alcohol. According to the Centers for Disease Control and Prevention, if you mix caffeine with alcohol, you may not realize you're drunk and may be more likely to binge drink. Though you might start using energy drinks to make up for a lack of sleep, the CDC reports that those who drank three or more energy drinks per day were more likely to say they slept less than four hours per night. Their sleep was also disrupted. You should stop all caffeine consumption at least six hours before bedtime. Learn more about healthy living, including tips on getting a better night's sleep, at [www.TRICARE.mil/healthyliving](http://www.TRICARE.mil/healthyliving).

Membership renewals are still coming in however the renewal pace has slowed. The Post is at 83.72% of the goal as set by National. That gives us approx. 1358 members renewed for the New Year. We have a long way to go to reach 100% of our goal before the end of the Legion year. If you have not renewed your membership yet please do so. I have also started sending out letters to all of the Post 1000 members in an effort to transfer them to the post. If you know anyone that has not paid their dues please get them to come and pay their dues.

Starting in March we will be serving soup and sandwiches in the lounge from 11:30am till 2:00 pm. The cost will be \$5.50 for lunch. The bar will also be open.

We are converting to a new data base to be used to help track our membership. In order to have a complete data base I ask that every member send me the name of your spouse, emergency contact information, email address, date of birth, correct phone number, branch of service and war era. If you have moved within the last 6 months would you please provide me with your new address.

Emails are still a problem. I have been getting a lot of emails bounce back to me for whatever reason. If you feel that you are not receiving emails from the Post, PLEASE check your spam settings to ensure correct delivery of the emails. If your spam settings are correct please ensure I DO have your correct email address. If you have changed your email address or have not provided the post with an email address, please send it to me.

If you would like to receive your monthly newsletter by email please let me know. We would like to increase the number of newsletters sent out by email rather than by regular mail. The post sends out over 1700 newsletters a month which is very costly.

If you have anything you would like to submit to be included on the Post web site, please email either myself or Ed Murray with the details. The monthly newsletter is now available on the web site. You can also print it directly from the web site.
